

STAR VISTA

Helping All Ages and Stages Through Life's Challenges

CHILD AND FAMILY RESOURCE CENTER

StarVista's Child and Family Resource Center (CFRC) provides clinical services for children and families in the most vulnerable communities in San Mateo County. By placing a therapist in a K-5 or K-8 school in Pacifica, South San Francisco, Daly City, San Bruno, San Mateo Foster City, and East Palo Alto Ravenswood School Districts, StarVista can collaborate

closely with school administrators and educators to identify students who would benefit from therapeutic services.

This program is funded through the Human Services Agency and Measure K.
