## Helping All Ages and Stages Through Life's Challenges

## DIFFERENTIAL RESPONSE

StarVista's Differential Response is a collaborative effort between Child Protective Services (CPS) and StarVista. Services are voluntary and are offered to strengthen and support the family unit in order to keep children out of the child welfare system.

The program offers weekly visits with a Differential Response Case Manager for three to six months, with an option to extend if needed.

The approach is collaborative, family driven, and child centered.

**The services a family may receive include some or all of the following:**

- Emergency Shelter
- Assistance in applying for health insurance
- Emergency Food Assistance
- Parent/child conflict resolution and mediation
- Parenting Skills

- Counseling
- Legal Aid
- Childcare
- Support for domestic violence
- Additional services as needed
