

STAR VISTA

Helping All Ages and Stages Through Life's Challenges

CHILD AND FAMILY RESOURCE CENTER

StarVista's Child and Family Resource Center (CFRC) provides clinical services for children and families in the most vulnerable communities in San Mateo County. By placing a therapist in a K-5, K-8, or 6-8 school in Pacifica, South San Francisco, Daly City, Bayshore, San Bruno, San Mateo, Foster City, Redwood City, and East Palo Alto School Districts, StarVista can collaborate closely

with school administrators and educators to identify students who would benefit from therapeutic services. We provide both short term and long term therapy depending on the needs of the child and the family.

This program is funded through the Human Services Agency and Measure K.
