STATUS: Full time 30-40 hours per week, Overnight shift (10:00pm-6:00am hours may vary)

SALARY: DOE

PROGRAM DESCRIPTION:

StarVista's Transitional Youth Services, THP-Plus Program is a residential program for youth ages 18-24 who have exited the Foster Care and/or Juvenile Justice system. The goal of the program is to appropriately prepare the youth for independent living and self-sufficiency. The program provides case management, advocacy/support, and independent living skills education to residents.

ESSENTIAL FUNCTIONS:

- Provide on-site, overnight checks and monitoring of youth residents at the residential site in South San Francisco to ensure safety. Checks/monitoring include apartment inspection, adherence to curfew times, and observance of the agreed-upon program policies.
- Report any violations of THP-Plus Program policies to Program Manager and/or Site Coordinator. Complete appropriate and required program documentation.
- Encourage and reinforce independent living skills and provide support around transitioning to independent living, achieving individual goals, and planning for the future.
- Manage crises or emergency situations as they arise and follow program protocol.
- Attend required training and team meetings.
- Provide support to Program Manager and Site Coordinator as needed

MINIMUM QUALIFICATIONS:

- Experience working with youth in Foster Care
- Valid CA Driver's license, a working car, proof of car insurance, and the ability to pass fingerprint and TB clearance is **required**.
- 2+ years of verifiable experience working with at-risk youth and/or young adults
