A Brief History

Opened on June 1, 2017, we are the first LGBTQ+ center in San Mateo County. The Pride Center combines direct mental health services with community building and educational programming. We work in partnership model between three community organizations: Outlet of Adolescent Counseling Services, Peninsula Family Service & StarVista all in partnership with the San Mateo County Behavioral Health and Recovery Services.

Mission

Our mission is to create a welcoming, safe, inclusive, and affirming community climate that fosters personal growth, health, and opportunities to thrive for individuals of all ages, sexual orientations and gender identities through education, counseling, advocacy, and support.

Vision

Our vision is to create an innovative, respectful, and equitable community of all ages, ethnicities, cultures, sexual orientations, and gender identities that supports complete inclusion, is free of discrimination, strives for knowledge, challenges barriers, and seeks to empower agents of social change.
